Re: Status of Reclamation Surety, Star Stone Quarries, Inc., Rosebud Quarry, M/003/026, Box Elder County, Utah

Dear Mr. Thomas:

The Division has reviewed your October 18, 2000 letter (received via fax October 18, 2000) regarding the status of the reclamation surety acquisition for the Rosebud Quarry. Per your request, the Division will extend the time for posting the reclamation surety for the Rosebud Quarry until November 1, 2000. *You are reminded that until the Division receives and approves the reclamation surety in writing, Star Stone Quarries, Inc. is not authorized to begin any operations at the Rosebud Quarry.*

Thank you again for your cooperation in finalizing the large mine permitting process for this site. As always, please don't hesitate to call us if you have additional questions or concerns in this regard.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
